

Megaroller®

Increase your sales - use the windows and floors in your shops !

Selfadhesive posters are very visible and effective - if they are large.

But they are difficult to apply for most people.

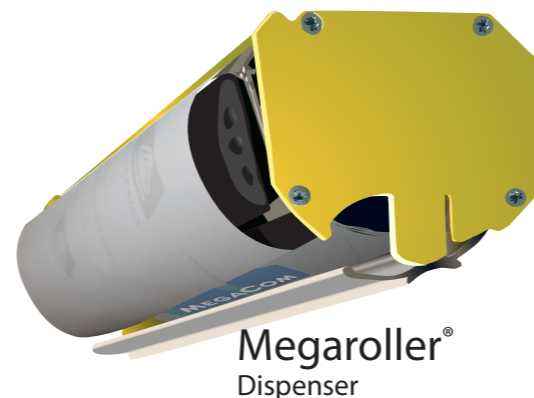

That's why we have developed the Megaroller.

It's a dispenser and its now very easy for your own staff to apply large selfadhesive posters.

Its easy, you avoid bubbles and wrinkles - and save a lot of money.

Print.

- Digital prints on a special campaign vinyl testet for Megaroller.
- Waterbased colors.
- We offer a complete outdoorpackage and service.
- Posters are sliced, rolled and ready to roll on.
- Packed in a special packaging with labels.
- Free service and support by agreement.
